We are a “church” as derived from the Greek word ekklesia, which means an assembly of people – a community. We believe in the **Seven Principles** which are grounded in the humanistic teachings of the world’s religions.

1. The inherent worth and dignity of every person.
2. Justice, equity and compassion in human relations.
3. Acceptance of one another and encouragement to spiritual growth in our congregation.
4. A free and responsible search for meaning and truth.
5. The right of conscience and the use of the democratic process within our congregation and in society at large.
6. The goal of world community with peace, liberty, and justice for all.
7. Respect for the interdependent web of all existence of which we are a part.
