We are a “church” as derived from the Greek word *ekklesia*, which means an assembly of people – a community. We believe in the **Seven Principles** which are grounded in the humanistic teachings of the world’s religions.

1. The inherent worth and dignity of every person.
2. Justice, equity and compassion in human relations.
3. Acceptance of one another and encouragement to spiritual growth in our congregation.
4. A free and responsible search for meaning and truth.
5. The right of conscience and the use of the democratic process within our congregation and in society at large.
6. The goal of world community with peace, liberty, and justice for all.
7. Respect for the interdependent web of all existence of which we are a part.

WE BELIEVE IN DIVERSITY, INCLUSION & LOVE

* The new web site is nearing completion. On the social media side Joannie is handling our Facebook and Instagram posts.

* Be sure to request and use our very attractive, pride color UUA book marks. They have the Seven Principals on one side and our Sources on the other. Carry a few with you and be ambassadors for 1st U.

* Reminder - wear your 1st U hoodies and T's, not just to Service but everywhere!

* The **most effective way to grow our Congregation is by personal contact**. Invite people to our Service. Tell them about our Seven Principals. Many people are looking for an accepting community and that's us! With our Zoom connection they can be anywhere. SPREAD THE WORD.

* If you have ideas on how we can let others know about our openness and acceptance to all beliefs, please let a committee member know.

PALESTINE

An Opportunity for Us to Live Our Seven Principals.

Compiled by Arny Stieber

Our Seven Principals guide us in our relations. The first Principal is: The inherent worth and dignity of every person. Our fourth Principal is: A free and responsible search for truth and meaning.

The first link below is updated daily and has a wealth of information.

* [Documentary](#): "How Israel Won the West"

The Israeli slaughter and starvation of Palestinians continues. Why does Palestine matter? Our government is violating international law (the Genocide Convention) and U.S. law (The Leahy Law and four others) because of its support for the destruction and death in Palestine. Over \$40 billion of our tax dollars have been spent in the past two years supporting this illegal and immoral activity. This money could have been spent helping WE THE PEOPLE. One area – 20% of U.S. children go to bed hungry every night.

I'm always open for discussion. Please contact me (voice or text) 734-216-1814.

The Newsletter comes out at the beginning of each month. It is assembled by Lucy Stieber based on your input. If you have items, please email to Lucy at LASTIEBER@aol.com
