SOCIAL JUSTICE COMMITTEE – Nancy Hallock.

I think we all agree on our need to "Save Democracy and Liberty and Justice for All". We are each working in this direction in our own way.
Participating with the North Shore Indivisible group serves to keep me hopeful.
They are a dedicated and yet warm, friendly group that are serious in their goal.
If you would like to propose a specific project or idea to express the Society's views in a public way or not so public, please speak up. The 7 Principles, and rainbow flag are wonderful examples.
The SPCA is still accepting Rx bottles, which I will deliver next week. They also need blankets, comforters and towels. There will be a drop box in the dining room for these items. Our congregation will continue to collect winter accessories for the Lioness.
That's all for now. There's always more to come.

Nancy H.

* The new web site is activated! The new URL – FirstUCS.org. The old site will remain active for at least 6 months. A notice has been put on the old site directing people to the new. We also have a Facebook and Instagram page.
* Be sure to request and use our very attractive, pride color UUA book marks. They have the Seven Principals on one side and our Sources on the other. Carry a few with you and be ambassadors for 1st U.
* Reminder - wear your 1st U hoodies and T's, not just to Service but everywhere! Brewerton Special T's will add "FirstUCS.org" to your hoodies and T's that have the old URL.
* The ***most effective way to grow our Congregation is by personal contact.*** Invite people to our Service. Tell them about our Seven Principals. Many people are looking for an accepting community and that's us! With our Zoom connection they can be anywhere. SPREAD THE WORD.
* If you have ideas on how we can let others know about our openness and acceptance to all beliefs, please let a committee member know.

PALESTINE IS KEY
An Opportunity for Us to
Live Our Seven Principals.
Compiled by Arny Stieber

Our Eight Principals guide us in our relations. The first Principal is: The inherent worth and dignity of every person. Our fourth Principal is: A free and responsible search for truth and meaning.

Palestine is key to what's going on in the Middle East. The violence has spread across the Middle East and may soon go beyond. The reason for this violence is because there have been **no consequences for illegal and/or immoral actions**.

* Documentary: "How Israel Won the West"

Our government is violating International (Genocide Convention and others) and U.S. law (Leahy law and others) because of its support for the destruction and death in Palestine. Over $60 billion of our tax dollars has been spent in the past two and a half years supporting this illegal and immoral activity. Now, at the behest of Israel, the U.S. has spent another $60 billion attacking Iran. This money could have been spent helping WE THE PEOPLE. One area – 20% of U.S. children go to bed hungry every night. I'm always open for discussion. Please contact me (voice or text) 734-216-1814.
